Farren's Wizard When the world is on the line, will love be enough to save them all? Farren Azar came to college to get his degree. However, he knew he couldn't let anyone know about his djinn blood. The djinn had been exiled to a different plane, and if his heritage was discovered, he could be banished too. When a djinn and a fire god become involved in his life, he has to figure how to handle two powerful entities without losing himself. Dan Stewartson knew Farren was the one. A glance between them had him hooked. When strange fires begin popping up around campus and fingers are pointed at Farren, Dan refuses to believe his lover could be responsible. Will he be able to save Farren's reputation, or will secrets come between them and wreck their budding romance? Elijah's Ghost It only takes one event to change the world. Elijah Trenton had always been considered a weak wizard. With little magic and an overpowering father he'd expected to spend his life teaching. When an accident reveals his ability to talk to the dead, new possibilities open up. Devin Stewartson had been eyeing Elijah for months. The shy redhead drew his eye from that first day, and only the thought of a relationship had him shying away. When Elijah saves Devin's life, Devin decides that some things are worth a chance. Old enemies and new adversaries try to tear the two men apart, but love can withstand most anything and even death can't part two men fated to be together.
