Embracing Your Destiny (EYD) introduces you to common-sense principles that will transform your life from a meaningless conglomeration of failed opportunities, shattered hopes, dreams, and expectations, into an extraordinary existence filled with renewed promises, infinite possibilities, and enduring accomplishments. EYD's practical applications will help you to discover the reason you were put here on Earth. EYD was birthed out of the profundity of the questions, "Who am I" and "What is my purpose in life?" The theme of this book grew out of a conviction that each person, regardless of his or her creed, nationality, ethnicity, race, or religion, has a special function, a part, a task, a duty, a plan, and a certain purpose to fulfill, and a multifaceted mission to accomplish in life.
