The Cure Douglas E. Richards

Be sure to also read Richards's riveting new thrillers, *Mind's Eye* and *Quantum Lens*.

"The Cure will keep you turning the pages all night long."

--Douglas Preston, New York Times #1 bestselling author of *Impact*

"Richards is a tremendous new talent. *The Cure* is an extraordinarily good novel that will keep you riveted . . . and thinking."

--Stephen Coonts, New York Times bestselling author of *Pirate Alley*

Psychopaths cause untold misery. If you found the cure for this condition, just how far would you go to use it?

Erin Palmer had a devastating encounter with a psychopath as a child. Now a grad student and scientist, she's devoting her life to studying these monsters. When her research catches the attention of Hugh Raborn, a brilliant neuroscientist who claims to have isolated the genes responsible for psychopathic behavior, Erin realizes it may be possible to reverse the condition, restoring souls to psychopaths. But to do so, she'll not only have to operate outside the law, but violate her most cherished ethical principles.

As Erin becomes further involved with Raborn, she begins to suspect that he harbors dark secrets. Is he working for the good of society? Or is he intent on bringing humanity to its knees?

Hunted by powerful, shadowy forces, Erin teams up with another mysterious man, Kyle Hansen, to uncover the truth. The pair soon find themselves pawns in a global conspiracy--one capable of destroying everything Erin holds dear. And forever altering the course of human history . . .

At a time when society seems to be facing an epidemic of psychopathic monsters, *The Cure* explores this condition, and the surprisingly thorny ethical and moral dilemmas surrounding it, within an explosive, thought-provoking, roller-coaster-ride of a thriller that will have readers turning pages deep into the night.

"Recalls the best of Michael Crichton." -- Boyd Morrison, bestselling author of *The Loch Ness Legacy*, on Richards's New York Times & USA Today bestselling novel, *WIRED*

At the publishers request, this title is being sold without Digital Rights Management software (DRM) applied.

From reader reviews:

Kathy Donnelly:

The book The Cure can give more knowledge and also the precise product information about everything you want. Why must we leave the best thing like a book The Cure? A number of you have a different opinion about reserve. But one aim that book can give many facts for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or facts that you take for that, you could give for each other; you can share all of these. Book The Cure has simple shape nevertheless, you know: it has great and large function for you. You can seem the enormous world by open up and read a book. So it is very wonderful.

Helen Jackson:

Nowadays reading books be a little more than want or need but also get a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want have more knowledge just go with education books but if you want truly feel happy read one using theme for entertaining for example comic or novel. The particular The Cure is kind of book which is giving the reader erratic experience.

Robert Frith:

Spent a free time to be fun activity to complete! A lot of people spent their leisure time with their family, or their very own friends. Usually they undertaking activity like watching television, likely to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your own free time/ holiday? Could possibly be reading a book is usually option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the publication untitled The Cure can be fine book to read. May be it may be best activity to you.

Evelyn Ross:

Reading a guide make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is created or printed or illustrated from each source this filled update of news. In this particular modern era like now, many ways to get information are available for you actually. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just searching for the The Cure when you necessary it?
