What Your Financial Advisor Isn't Telling You: The 10 Essential Truths You Need to Know About Your Money Liz Davidson

In today's unsettled financial markets, where most pension plans died out with the 20th century and where no one's certain of the future of Social Security, hardworking people turn to financial advisors to guide them to a worry-free financial lifestyle. But do you really know how to find a legitimate financial advisor? Do you understand the jargon advisors use to explain your investments? And, most important, do you know the answers to the most critical questions that will affect your financial future: How much are advisors' fees, and just how safe are the investment choices they make on your behalf?

Now more than ever, you need to educate yourself to prepare for your future, whether it's buying a house, paying for college, or saving for retirement. Spending quality time with *What Your Financial Advisor Isn't Telling You* is the first step to getting on track. This audiobook is a comprehensive guide to the essential unbiased information you need to make smart personal finance decisions and achieve total financial wellness.
