Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty.

God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed.

Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management.

Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including:

- Simple Solutions for Studying God's Word
- How to Handle Marriage, Parenting, and Homemaking in a Digital Age
- 10 Steps to Completing Your Husband
- Dealing With Disappointed Expectations in Motherhood
- Creating Routines that Bring Rest
- Pursuing the Discipline and Diligence of the Proverbs 31 Woman

There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.
