*** A Standalone Short Story with No Cliffhanger! ***

Teresa Peterson is married to her high school sweetheart Calvin. Everyone said they were destined for each other. But the spark has been extinguished and they barely do much more than talk. Teresa put her dream of a life in aviation on hold to be with Calvin at their farm. One day, her dream is reignited at a small airfield not too far away from the farm that has been closed down due to budget restraints. A plane has to make an emergency landing, and she has to act quickly to bring the plane in safely. When she lays her eyes on the owner of the aircraft, she sees Richard Crowell as somebody that can take her away from her stagnating life. She watches him start to fall for her and she gives him a brief peek at what his childhood was like that he had forgotten. They hide their relationship, but somebody is watching them and knows their secret and wants to cash in.
