Management cases are an inseparable part of any Business School class. Cases help students understand complex business situations, apply theoretical knowledge and learn to articulate their opinions before any audience. Compendium: Management Cases from Emerging Markets presents a selection of various business scenarios and case studies that will require critical thinking and strategic decision making. While each case is focused on a fundamental business issue, they are written as exciting, engaging narratives that will offer management students, scholars and corporate executives the opportunity to apply theoretical concepts to real-life situations. Learning from case discussions can help students, instructors and industry professionals stay actively engaged with complex theoretical information and the deliberation involved in working out cases has the inherent benefit of honing negotiation skills and interpersonal communication.
