**Lost Wings** Marvelous Marvin Hagler, Dustin Warburton

Marvelous Marvin Hagler was the undisputed Middleweight Boxing Champion of the World from 1980 to 1987. His reign at the top catapulted him to international stardom. His success was earned because of hard work, an incredible work ethic, and a dedication to the sport like no other. After nearly 25 years of being out of the spotlight, the Marvelous one returns with [erhaps his greatest feat yet, a childrens book.

Marvin teamed up with his friend, Author Dustin Warburton, and the two spent several years developing a story that would not only bring a smile to a child's face, but convey an important lesson to the world. In this story we have Mario the race pigeon. He wasn't just any race pigeon, he was the fastest in the sky. Sure Mario was young and fast, but he was also cocky, wreckless, and didn't know what it was to be part of a team. "No matter how fast you are, there's always someone out there faster. Being part of a team is what counts, and that's the key to success." These words come from his mentor, Doc who like Mario was the fastest at one time. Mario must learn what it takes to be part of a team, all the while overcoming his biggest obstacle to date. Lost wings is a story for children of all ages.
