Math Practice the Singapore Way Grade 3 is part of a workbook series that focuses on problem solving, thinking, and learning strategies that help students review basic concepts through the use of visuals. Based on the Singapore Math syllabus, these exercises will equip students with the essential skills required for today's standardized testing. Math Practice the Singapore Way Grade 1 helps students progress systematically and provides step-by-step answers for improved self-evaluation and learning. The workbook contains tests and an answer key for students to check their work. Grade 3 topics include: numbers to 10,000, time, place value, bar graphs, area & perimeter, multiplication & division, addition & subtraction, length, volume & weight, mental calculations and fractions. The Math Practice the Singapore Way series (available for Grades 1-5) is a fantastic set of supplementary workbooks to help students develop fluency in problem-solving.
