## **Evaluation of Heat and Carbon Monoxide Exposures to Border Protection Officers at Ports of Entry**

Chad Dowell, Dr. Judith Eisenberg, Department of Health and Human Services Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health

The National Institute for Occupational Safety and Health (NIOSH) received a union request for a health hazard evaluation at the Customs and Border Protection (CBP) ports of entry in El Paso, Texas. The request concerned CBP officers' work in hot environments and potential exposure to carbon monoxide from vehicle exhaust. This report contains NIOSH's findings and recommendations.
