The jokes in this book are awful. That's why we call them bad jokes! Some are so bad; they come back around to being kind of okay. (I tell myself that frequently of corpse!) The theme of these jokes is the things that haunt your nightmares. Things so scary and evil. Things...like...Rush Limbaugh? Close enough. Actually the things I dreamt about as a "little monster". Things that would endear themselves to me and be etched into my heart. Things that would give me the want to wonder. I'm talking about movie Monsters. Horror films. Sci fi. Superheroes. And more... So I want to share a humorous look at those entities with you maniacs. I welcome you to: MONSTERMATT'S BAD MONSTER JOKES VOL. 1
