Straight Up and Dirty: A Memoir Stephanie Klein

Marriage fit Stephanie Klein like a glove . . . but unfortunately it fit her husband like a noose. She thought she had the perfect marriage, but just like that, Klein found herself "divorced when you're firm, fashionable, and let's face it—fetching."

Celebrated blogger, photographer, and freelance writer Stephanie Klein lets it all hang out in this juicy tell-all tracing her jump back into single life following her divorce. On the dating advice of her therapist, Klein attempts to keep "a pair and a spare" of men always at hand and has lots of bawdy fun along the way. But when the anniversary of the devastating breakup from her "wasband" forces her to revisit what happened, she finds herself wanting more than her therapist's recommended gimmick to keep her emotionally safe.

Straight Up and Dirty demonstrates that the true measure of success isn't what's crossed off life's to-do list. It's having the grace and fortitude to move through change, curls intact and smiling.
