## **The Suicidal Peanut** Matthew J. Metzger

Life's not easy when your mum's nuts, your uncle is becoming your aunt, and one of your crushes could -- and probably would -- break your face if he found out how you felt about him.

That's Tab's life, though, malevolent gods and all. His text-flirting with Demi, the brother of his best friend, is going nowhere: Demi already has a boyfriend and anyway, who dates their best friend's twin? But then, the pining after Nick is going nowhere either, because Nick probably likes gay-bashing on Friday nights for fun. He's gorgeous, but he's dangerous, and Tab knows better than that.

So what's a bit of harmless flirting, when one is taken and the other is straight? It's just a bit of fun.

That is until Demi is suddenly single, and Nick is not looking as straight and scary as he was before.
