## **Asma Asmaton: Song Of Solomon** Gregory Zorzos

The Song of Songs (Hebrew: Shir ha-Shirim), is a book of the Hebrew Bible -Tanakh or Old Testament- one of the five megillot (scrolls). It is also known as the Song of Solomon or as Canticles, the latter from the shortened and anglicized Vulgate title Canticum Canticorum, "Song of Songs" in Latin. It is known as Aisma in the Septuagint, which is short for "Aisma aismatôn", "Song of Songs" in Greeks. The Song of Songs is thought by some to be an allegorical representation of the relationship of God and Israel as husband and wife. Literally, however, the main characters of the Song are simply a woman and a man, and the poem suggests movement from courtship to consummation. It is one of the shortest books in the Bible, consisting of only 117 verses. Texts in book are in English, Greeks, Latin, Hebrew etc.
