Flypaper Opus: Dark Psychological Thriller - Book 2 C.K. Vile

On Nick Dawkins' doorstep, one of his books is brought to life in the most inhuman of ways. A madman is trying to please his favorite author. He plans to 'adapt' Nick's novels one at a time.

Clark is the creator, his vision is true. He knows what to do, and how. He won't be stopped until his masterpiece—his magnum opus—is complete, no matter the cost.

They say life is stranger than fiction, but sometimes the two meld into one. Nick is forced into both worlds. He won't be able to escape this time. This time, the artist becomes the art.

*Flypaper Opus is a dark psychological thriller and is the second book of the Flypaper series. While it can be read on its own, you may enjoy reading Flypaper: Book One first.
