When seventeen year old Patience Gillespie arrives at her uncle's house for one of her regular visits, she finds blood everywhere, and evidence that he has been kidnapped. She stumbles across a letter detailing that the world of fantasy and magic is in fact real, and that he had been expecting this to happen. He also leaves a magical ring which he says will protect her. Patience enlists the help of an elemental called Grim, Mercy – a sword fighting clairvoyant who has the ability to alter people's memories and explore their mind, and Mortus, a dead zombie necromancer who can spirit walk among the dead and use shadow magic. Together they must uncover a plot that has been set in place ever since an ancient war which shaped the world we live in today. There are dangers, laughs, and a hell of a lot of style.
