## **Rich is Not a Four-Letter Word: How to Survive Obamacare, Trump Wall Street, Kick-Start Your Retirement, and Achieve Financial Success** Gerri Willis

In *Rich Is Not a Four-Letter Word*, veteran financial journalist and pundit Gerri Willis takes on the progressive mind-set championed by liberals that gives government bureaucrats the right to decide what's best for us, resulting in bigger government programs, more bureaucracy, and more wasted taxpayer money. She dissects Obamacare and Democratic tax initiatives to show how they have hamstrung the average American. Then she shows us how to overcome these left wing financial hurdles and grow our nest eggs, despite the political pickpocketing from Washington.

Willis discusses:

- How the progressive agenda has robbed Americans of their financial freedom and how to get it back;
- How the wide-open spigot of college loan dollars has encouraged college administrators to boost tuition each and every year and how we can successfully navigate the system;
- Why the knee-jerk progressive response to the 2008 market crash and subsequent recession has acted as an albatross on the shoulders of American corporations, keeping corporate tax rates at sky high levels among Western nations and what we can do to create jobs and jump-start the economy.
