### Create Stunning Digital Photography

So, you like to take photographs, but lack a little of the technical knowledge? This guide will show you how. Learn some of the technical aspects about different digital cameras, to help you choose the right camera, for the right job. This eBook will show you the meaning of “shutter speed” and “apertures.” Most importantly, we will show you how “lighting” is a major factor, in ensuring a perfect result for the image. Wonder no more about the ISO settings, we will guide you through the “triangle of exposure,” to ensure your picture will be clear and focussed. Let us explain to you the “Rule of Thirds,” for all your photography settings. Learn about the “Golden Hour,” for Landscape photography. Find out how your models should pose for a natural portrait picture. We will take you through each of these stages and explain which set of equipment you will need in your gear. Whether you want to try landscape, portrait or simply just for fun, read this guide to get you started.

### Here is what you will learn after reading this book:

- The meaning of “shutter speed” and “apertures”.
- How your models should pose for a natural portrait picture?
