Who cancelled the Apocalypse?

If you felt a little bit let down that there was no mass ascension, planetary revelation or global apocalypse on 12/21/12, then you need to read this eBook! It has been prophesied by many ancient cultures that some kind of radical shift is destined to occur in these times, yet it hasn't happened on many occasions.

Why? What happened to the End of Time?

This short eBook blends personal experience, research and channeling to explore the connections between the rise of the Feminine, the need to resolve trauma on a personal, global and Universal scale, and how these elements are connected with why the world as we know it did not end on that fateful Friday.
