Diary of a Mosquito Abatement Man John Porcellino

Diary of a Mosquito Abatement Man is the first in a series of books from La Mano collecting the work of John Porcellino. Over the course of 15 years and 64 issues of his much-loved, self published 'zine KING-CAT Comics and Stories, John has chronicled his life and the world around him with honesty, grace, and intelligence.

"Diary" compiles stories from a decade's worth of KING-CAT on the subject of his years spent as a mosquito exterminator. From early, scratchy punk drawings to later, more refined work (as well as 30 brand-new pages created specifically for this edition...), John examines his time on the job, and how it affected his life, his health, and his view of the world.
