Meet Raya Joseph, the creative head designer at an up-and-coming new fashion design firm. Like employees of any fledgling company, Raya and her fellow designers face a variety of challenges--especially when it comes to bringing in business. So when they are hired to design a million-dollar wedding gown, these talented and animated designers are thrilled. But there's one catch. The new customer is the woman who stole Raya's fiancé. Meanwhile, Flex Dunham, an athletic trainer who coaches a charity basketball team, needs team uniforms and soon finds himself in Raya's shop. Raya hasn't looked at a man since her engagement fiasco, so when Flex walks into her office, things get a little complicated. The entertaining first novel in the Shades of Style series, Pink offers a perfect mix of likeable characters, sweet drama, humor, and a little bit of romance.
