Points de départ is a complete, versatile program for introductory college and university French courses. It has been conceived for use in accelerated, intensive, and review programs; in hybrid courses incorporating distance learning; and in courses with limited contact time, i.e., three or fewer hours per week over an academic year. Developed by the authors of the extremely successful **Chez nous** French program, **Points de départ** incorporates many of the innovative features of that text while maintaining a focus on the essential content of an introductory course.

This package includes 24 month access to MyFrenchLab to accompany **Points de départ** . MyFrenchLab includes access to the online Student Activities Manual, English grammar readiness checks, animated French and English grammar tutorials, all the audio and video to accompany the program, plus a partial online e-text.
