After Jillian Warner's much-publicized divorce from her ex-governor husband, Beau Taylor, all she wants is a private life—out of the political spotlight. The heiress and single mom now runs a quaint B and B in Atlanta. But Beau is back, vowing to win her heart. With desire reigniting, Jillian's more confused than ever. Her seductive ex betrayed her once. How can she ever trust him again? A near-fatal accident has changed Beau in ways he never imagined. Now his number-one priority is becoming the devoted husband and father he knows he always should have been. He's determined to atone for the sins of the past and build a new future with the woman he's never stopped loving. Beau wants Jillian—and this time he's doing it right. Originally published in 2010.
