More adults than ever before are remaining single. And many of these unattached men and women are Christians who wonder if God will ever bring a mate their way...or if they should just stop focusing on a future with a marriage partner and live their single life to the fullest.

Dick Purnell and Kris Swiatocho offer solid biblical answers for singles in this newest title in Dick's popular 31-Day Experiment Bible study.

During a month-long study, readers will learn how to cultivate friendships in general...and also with potential mates. In addition, they will discover how to deepen their most important intimate friendship—their relationship with their heavenly Father.
