The Council for Economic Education envisions a world in which people are empowered through economic and financial literacy to make informed and responsible choices throughout their lives as consumers, savers, investors, workers, citizens, and participants in our global economy.

Some of the areas in K-12 education we publish in include:

- Establishing and building credit
- Managing personal finances
- Understanding economics on a local, national, and global level
- Using economics in other subject areas: Social Studies, Geography, History, etc.
