That silence crept back into the room like a stealthy thief.

Finally, Darren broke it, and what he said took me completely by surprise.

“I haven’t stopped thinking about you you know. Since that night I mean”.

For a few moments I was stunned and couldn’t reply.

I couldn’t believe it the first time Darren and I had gotten together. I mean, he was a fit young rugby playing college boy, where I was just a fat old divorcee.

And on our first time together he had proved that that didn’t bother him.

Now I was going to be seeing him again.

But would he be happy to see me? Secretly I was hoping for a repeat performance, but would he see it that way?

Little did I know that not only did he miss me, but that he had a friend he wanted to introduce me to too!!

This was going to be an interesting weekend after all!!

This short story contains graphic descriptions of a dirty, uninhibited menage between a sexy, mature woman and two fit young college boys. It should only be read by persons over the age of 18.

Where available, you should click on the “look inside” feature to get an uncensored taste of exactly what these three get up to. Your not going to be let down, I promise!!

Note- All characters in this story are over the age of 18, and everything that takes place is entirely consensual and completely filthy.
