Monday's child is fair of face

Avena came from a family of beautiful women. Women who traded their looks for wealthy husbands and easy lifestyles. But when Avena's turn came, she didn't use her beauty to help herself, she did it for her family.

She gritted her teeth and was pleasant to rich, handsome Nyall Lancaster, the boss of Lancaster Holdings. She was determined to save the family company from ruin. But if her plan to charm Nyall meant that he thought he could just walk in and take over her life, then he had another thing coming...

Avena was more than just a pretty face!
