A genius with a terrible loss...

Gifted pianist Valentine Windham, youngest son of the Duke of Moreland, has little interest in his father's obsession to see his sons married, and instead pours passion into his music. But when Val loses his music, he flees to the country, alone and tormented by what has been robbed from him.

A widow with a heartbreaking secret...

Grieving Ellen Markham has hidden herself away, looking for safety in solitude. Her curious new neighbor offers a kindred lonely soul whose desperation is matched only by his desire, but Ellen's devastating secret could be the one thing that destroys them both.

Together they'll find there's no rescue from the past, but sometimes losing everything can help you find what you need most.
