100 Days of Cake Shari Goldhagen

Get well soon isn't going to cut it in this quirky and poignant debut novel about a girl, her depression, an aggressive amount of baked goods, and the struggle to simply stay afloat in an unpredictable, bittersweet life.

Every other senior at Cove High School might be mapping out every facet of their future, but Molly Bryne just wants to spend the rest of the summer (maybe the rest of her life) watching *Golden Girls* reruns and hanging out with her cute coworker at FishTopia. Some days, they are the only things that get her out of bed. You see, for the past year, Molly's been struggling with depression, above and beyond industry-standard teen angst. Crushing on her therapist isn't helping, and neither is her mom, who is convinced that baking the perfect cake will cure her—as if icing alone can magically make her rejoin the swim team or care about the SATs.

Ummm, no, not going to happen.

But when Molly finds out FishTopia is turning into a lame country diner, her already crummy life starts to fall even more out of her control, and soon she has to figure out what— if anything—is worth fighting for. *100 Days of Cake* is a quirky and poignant story of a girl, her depression, an aggressive amount of baked goods, and the struggle to simply stay afloat in an unpredictable, bittersweet world.
