A Comprehensive Guide to Digital Glamour Photography (Digital Photography) Duncan Evans

Illustrated with photographs of beautiful models from around the globe, this stylish, sophisticated guide shows digital camera owners how to create the glamorous look seen in the world's top magazines. The story of each photo is told in three parts: *Shoot* provides technical and creative information on how the image was captured; *Enhance* explains how the photographer used the computer to set a mood, eliminate distortion, adjust color, erase blemishes, or simulate an exotic location; and *Enjoy* discusses the hardware and software used to achieve perfect reproduction, on paper or on the Internet.
