Samael Aun Weor

Beyond Death: the Gnostic Book of the Dead: What You Should Know about the Afterlife Samael Aun Weor

Leaving behind both fear and belief, Samael Aun Weor explains through vivid stories what happens when we die and how we can prepare ourselves now to take full advantage of the experience. Instructions to prepare the soul for the process of dying and the experiences of the afterlife are found within the scriptures of every mystical tradition, especially the Bible, The Theban Recension (Egyptian Book of the Dead), and the Bardo Thodol (Tibetan Book of the Dead), yet they are veiled in cryptic symbolism and are difficult for most people to understand. Now, for the first time, this book fearlessly approaches the topics of death, dying, and the afterlife for our day and age -- and for those who are tired of theories and are ready to know the truth through their own experience. Collects several books in one volume: 1. The Book of the Dead: Originally published in Spanish as "El Libro de Los Muertos" (1966). 2. The Mysteries of Life and Death: Originally published in Spanish as "Los Misterios de La Vida y de La Muerte" (1962). 3. Beyond Death: Originally published in Spanish as "Más Allá de La Muerte" (1970). 4. A Talk on the Mysteries of Life and Death: from a lecture.
