Chosen 2: A Street King's Obsession (Chosen: A Street King's Obsession) Sunny Giovanni

Diego and Christina are back at it, in hopes that their love can conquer all things standing in their way. With a bigger responsibility and a wedding right around the corner, now that the competition is over, Diego handles the family business without much effort. However, it's weighing Christina down when not being able to spend much time with the man she's supposed to marry in three months.

The villains come out in full affect when it comes to keeping the pair apart, because they practically failed the first time around. On the team of bad guys comes Christina's Uncle Buck, and some of the things that he has to say will definitely throw a wrench in her plans to marry the love of her life. This also includes the infamous Markiesha and her attempts to keep herself dripping in gold and dressed in designers. Even in this installment, life is not as nice to her as it's always been. Her demons come back to haunt her, and it places her beloved son and fiancée right in the crossfire.

What happens when you choose, who others seem to think, is the wrong woman? Diego's trust, faith and loyalty are all placed on the line when trying to answer this question. There's a lot that comes with the territory of being a Street King's woman, including losing everything closest to you. Christina learns the hard way when drama enters her life from every angle, and she and Diego can't seem to handle it all. The end of this tale will leave you breathless with a dropped jaw at what happens next.
