*Objective: Guided Learning*

The **Bittinger Worktext Series** recognizes that math hasn't changed, but students—and the way they learn math—have. This latest edition continues the Bittinger tradition of objective-based, guided learning, while also integrating timely updates to the proven pedagogy. This edition has a greater emphasis on guided learning and helping students get the most out of all of the resources available, including new mobile learning resources, whether in a traditional lecture, hybrid, lab-based, or online course.

The new edition supports students with quality applications and exercises, a new *MyMathGuide* workbook and video program, and an updated MyMathLab course that brings it all together!
