## **Doomsday! 2012 Calendar** Workman Publishing

The world is ending on December 21, 2012—so is this calendar. The irreverent countdown to the Mayan day of destruction, the *Doomsday! Calendar* ensures that while it may be your last year on Earth, at least it will be an entertaining one, packed with humor, survival tips, quotes, and more. Eating and drinking to excess, never exercising again, and other apocalyptic New Year's resolutions. Apocalypse Myth vs. Fact. Songs for your doomsday playlist. Ten things more likely to kill you than the apocalypse. And Last Words: "*Don't wake me for the end of the world unless it has very good special effects*" (fantasy/science fiction author Roger Zelazny).
