## **Sacred Festivals** Jeremy Hunter

Award-winning photographer Jeremy Hunter has searched the globe for festivals and celebrations, religious and secular, where traditions have remained largely unchanged over the past several hundred years or more. His aim has been to capture on film those events that each year become more fragile and in danger of being consumed in the march of progress and its consequent globalization. This book includes 200 stunning color and black and white photos showing 30 extraordinary festivals, often set against breathtaking landscapes.

"An enchanting book full of dramatic images and vivid eyewitness accounts that will inspire the traveler, the anthropologist, the photographer and the lover of beautiful and evocative images in all of us."
