Z.A. Recht

Survivors (Z.A. Recht's Morningstar Strain) Z.A. Recht

The all-new soul-shattering climax to the post-apocalyptic trilogy, featuring a deadly virus, military action, global devastation—and zombies.

The long-awaited finale of Z.A. Recht's "action-packed zombie extravaganza" (Ryan C. Thomas) that began with the acclaimed novels *Plague of the Dead* and *Thunder and Ashes*. . . .

THE MORNINGSTAR STRAIN WAS THE END OF THE WORLD.

In the wake of the zombie apocalypse, two separate bands of survivors journey across a decimated America, each with the desperate goal of finding the cure for the virulent plague that threatens the existence of humankind—or what's left of it. Now it's up to these inheritors of the future to outlive their waking nightmare, any way they can.

BUT FOR THESE SURVIVORS, IT IS JUST THE BEGINNING.

One group includes a brilliant virologist; for the other, an immune soldier proves invaluable. Battling infected and marauding raiders at every turn, the teams soon uncover the devious plans of Sawyer, an agent of the Chairman of the Reunited States of America, who believes that Dr. Anna Demilio already has the cure, and he will stop at nothing to find her. Now, with the salvation of the world and their own souls on the line, how far will the survivors go to emerge victorious?
