Battle Cry (Loki's Wolves Classics) (Volume 3) Melissa Snark

Survival demands sacrifice. Healing requires forgiveness. After losing her lover and then her mate, Victoria Storm builds a new life in Sierra Pines, California. When the Norse Fates predict the she-wolf will destroy the world to save her unborn child, her duties as Freya's priestess conflict with her responsibilities as Odin's Valkyrie. Sawyer Barrett has hunted Victoria so passionately, he doesn't know whether he loves or hates her. Desperate to end the fighting, he will take chances with everything--except his heart. This hunter harbors a deadly secret he can't reveal without risking their tentative ceasefire and his father's continued disapproval. Men revere him; monsters fear him. Jake Barrett--the notorious Hunter King--values loyalty to family above all else. When he believes his eldest son was murdered by a wolf ally, he releases a chain reaction of violent destruction that claims the lives of both wolves and hunters. An ancient vampire plots the destruction of wolves and hunters alike. If the embittered rivalry doesn't end quickly, there is no hope for the Hunters, Victoria's pack, or the mortal world. 362 pages, 1st Edition. Urban Fantasy/ Norse & Viking Folklore Standalone novel.
