You're young, living comfortably in southern California. You're financially secure, though you don't know why or how. Your husband simply ignores you when you ask too many questions. He's hoping for another job overseas, doing something. You're not sure what, but you suspect it's not what he says. Your marriage is shaky. You survived a war in Cyprus together, and lost everything. Now you're basically biding time. A letter arrives from friends you knew in Cyprus, now sailing a new yacht from Taiwan to Europe for a Swedish millionaire. You're invited to join them in Sri Lanka, as crew. Neither of you knows boats, but you'll learn — the trip of a lifetime, cruising the Indian Ocean in a pleasure yacht! And, it turns out, in monsoon season. With no charts. And an emotionally unstable crew mate. What could possibly go wrong? SPOILER: everything.
