**Memoirs of Marguerite de Valois, Queen of Navarre - Volume 3** King of France consort of Henry IV Queen Marguerite

Margaret of Valois (French: Marguerite, 14 May 1553 – 27 March 1615) was Queen of Navarre and of France during the late sixteenth century. She is also known as “Margaret of France” because she was a princess of France by birth, who later incidentally became Queen of France by marriage. Notably, she was the last surviving member of the House of Valois. When imprisoned by her brother Henry III for eighteen years, she took advantage of the time to write her memoirs, which included a succession of stories relating to the disputes of her brothers Charles IX and Henry III with her husband Henry IV. The memoirs were published posthumously in 1628.

#### **Jessica Sarmiento:**

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Memoirs of Marguerite de Valois, Queen of Navarre - Volume 3 can make you really feel more interested to read.
