Advance Praise "From his pulpit at Grace Cathedral in San Francisco, Alan Jones has influenced for good an entire continent of struggling Christians. In this provoking and helpful new book, he extends his voice to those both within and beyond the Church. A thinking Christian in a thoughtless world is what he is and what he aims to make us. This is a very good start." -- The Reverend Professor Peter J. Gomes The Memorial Church, Harvard University, and author of The Good Book "It used to be that Christian institutions and systems of dogma sustained the spiritual life of Christians. Increasingly, spirituality itself is what sustains everything else. Alan Jones is a pioneer in reimagining a Christian faith that emerges from authentic spirituality. His work stimulates and encourages me deeply." -- Brian D. McLaren, pastor (crcc.org) and author of A New Kind of Christian "This is a bracing breath of spiritual fresh air, an intelligent, witty, and passionate reclaiming of the goal of religious practice-the conversion of the heart to kindness and peace as the common faith in which we can all be believers." -- Sylvia Boorstein, author of Pay Attention, for Goodness' Sake and It's Easier Than You Think "Alan Jones is the best guide I know to lead us on the thorny but promising path that could lead to the renewal of Christianity." -- Sam Keen, author of Fire in the Belly "Compulsively readable, Alan Jones's book is a brave and brilliant attempt to res-cue Christianity from the clutches of the cruel reactionaries into which much of it has fallen. Generous-hearted Christians of all persuasions will cheer him on." -- The Most Rev. Richard Holloway, retired as primus of the Scottish Episcopal Church and Bishop of Edinburgh "Alan Jones combines the power of the mystical, the honesty of the skeptical, and the eagerness of the romantic. His vision of faith and ministry for the time to come will be a gift for many readers." -- Walter Brueggemann, Columbia Theological Seminary, Decatur, Georgia "A daring call to renew our relation to Christianity-and ourselves-through fac-ing the great questions of the heart that today permeate the life of every serious seeker and the life of our whole endangered world." -- Jacob Needleman, author of The American Soul and Lost Christianity
