Big changes are coming for the residents of Davenport Manor, both human and vampire. With Daniel Davenport's life hanging in the balance, Emma Davenport must honor her nephew's wishes that are stated in his living will. There was a reason why her maker, Aidan O'Shea told her not to love humans so much; now she pays the consequence of her love with pain. The only way she can truly get through it is with the help of her offspring and second-in-command, Zachariah.

As if Todd Foster's life hadn't been flipped upside-down in the past year, now even more changes are about to happen. Even though he has a new love interest (with a pulse) by his side, he finds it hard to put out the flame that has Emma's name written on it. He finds it hard to move on when his heart is constantly drawing him to his immortal love.

Life-changing decisions are made and lives are permanently altered at the Manor.
