Inspired by the breathtaking gardens and countryside of England and Europe, this book brings fresh floral designs to applique enthusiasts. Susan Taylor Propst has outdone herself with the variety of color combinations in this follow-up to her top-selling Beautiful Blooms.

Each of nine designs includes a full-sized block pattern and instructions for both a pillow and a wall-hanging--in two different colorways--providing 18 projects in all. The projects are manageable in size, and the cushions fit commonly available pillow forms. Featuring petunias, tulips, lilies, and more, every artistic design stands on its own.
