Coaching Questions, Powerful And Effective Coaching Questions To Kickstart Personal Growth And Succes Now!

Do you want know what type of questions you need to ask the people you are coaching ?

Do you want to learn the ability to craft the right questions for the right moment ?

Coaching Questions is a well-rounded introduction to the principles of coaching. The questions described in this book are not only easy to follow, but also very result oriented. They are also questions that you can ask any person irrespective of their career and you will still get valuable feedback.

The book explains exactly what type of questions you need to ask the people you are coaching, and gives you the reasons for every category of questions. For that matter, you can easily decide the kind of questions to ask when dealing with a newcomer; when someone seems to have social issues; when someone's career is on a nosedive; and so on. There are also specific questions laid out as demonstration, just to ensure you are clear on how to meet your objectives. This, therefore, leaves you with the ability to craft the right questions for the right moment.

In this book you will learn:

- Precisely what coaching is about
- The various categories of coaching questions and how each one helps the process
- The inhibitions of poor questioning
- How skilled questioning earns you confidence
- How the art of questioning leads to success for people under your charge
- How to identify a great coach for money related matters
- How to identify a great coach for matters of health
- How to identify a great coach to help you in your spirituality
- How executives stand to benefit from coaching
- Much, much more
