Our NEW SAT guides are thoroughly revised and updated to address the three equally-weighted test scores: Math (including ten percent higher-level questions), Critical Reading (with greater emphasis on reading comprehension and grammar), and Writing (the new essay). As America's premier test-prep company, The Princeton Review has done the research necessary to help high school students succeed in the increasingly competitive college admissions game.

- Practice with three full-length tests in the book.
- Master the material tested on the NEW SAT, including grammar, Algebra II, and the new essay.
- Learn techniques to boost scores on the brand-new writing section.
- Analyze test performance online with free personalized score reports and optional essay grading.
