AMERICAN THUNDER has taken America by storm, earning the praise of songwriters, industry insiders, and, most important, Garth Brooks's own fans. Here's the story of an ordinary guy from Oklahoma who hoped to become an athlete until he discovered his own unique ability to harness the power of music and reach into people's hearts and souls. From his early days in clubs and honky tonks playing pop, rock, and folk music to his domination of the country music scene in the 1990s through his artistic experiment as rock icon Chris Gaines, this biography takes you backstage, into recording studios, and all around the world with the biggest-selling solo artist of all time.
