## **Post-Modern Bizarro** Dan Piraro

This sixth invaluable collection of Bizarro cartoons is a post-modern necessity for the hip bookshelf and coffee table alike. Now in its seventh year of syndication, Bizarro continues to be a favorite with readers throughout North America and the more civilized sections of Europe. Perfect for anyone unable to resist lovingly crafted depictions of homicidal house pets (not to mention subliminal messages hidden in the cover art compelling consumers to buy dozens of copies).
