The Twilight Zone: Will the Real Martian Please Stand Up?

Mark Kneece, Rod Serling

The Twilight Zone: Will the Real Martian Please Stand Up? Mark Kneece, Rod Serling

On a cold, snowy evening state troopers track footprints from a mysterious crash site to a nearby diner. There, a group of bus passengers waits out the storm, but oddly, there is one more person in the eatery. Who is he, and what are his intentions for planet Earth?

One of most ground-breaking shows in the history of television, *The Twilight Zone* has become a permanent fixture in pop culture. This new graphic novel series re-imagines the show's most enduring episodes, in all their original uncut glory, originally written by Rod Serling himself, and now adapted for a new generation? a generation that has ridden Disney's Twilight Zone Tower of Terror ride, studied old episodes in school, watched the annual marathons, and paid homage to the show through the many random take-offs that show up in movies and TV shows everywhere.
