Ghosts of Tsavo: Tracking the Mythic Lions of East Africa

Philip Caputo

Ghosts of Tsavo: Tracking the Mythic Lions of East Africa Philip Caputo

1898, Tsavo River Kenya, the British Empire has employed 140 workers to build a railroad bridge. The bridge's construction comes to a violent halt when two maneless lions devour all 140 workers in a savage feeding frenzy that would make headlines and history—all over the world. Caputo's *Ghosts of Tsavo* is a new quest for truth about the origins of these near-mythical animals and how they became predators of human flesh.
