I Love You, Nice to Meet You: A Guy and a Girl Give the Lowdown on Coupling Up Lori Gottlieb, Kevin Bleyer

Lori and Kevin are smart, honest, funny thirtysomething hopeless romantics who---despite their best efforts---are still single. Like romance anthropologists, they deconstruct every key moment in the life cycle of a relationship. In this book, get both the male and female perspectives on:

- * Fighting etiquette (is all fair in love and war?)
- * Voice-mail message analysis. ("Hi, it's who?")
- * Body hair (where, why, and how much?)
- * Blind dates (are your good friends good pimps?)
- * To cry or not to cry (if you're a guy) in front of a woman
- * Cheating (without actually cheating)
- * Knowing when a relationship is *really* over (or: whether it's better to dump or be dumped)
- * And much, much more

I Love You, Nice to Meet You is a hilarious and eye-opening collection of anecdotes from a guy and a girl who just want to find the one, but---lucky for you---they haven't.
