Internet Security For Parents: Discover The Hidden Dangers That You And Your Children Face Online Dan Ivancic

This book will show parents the hidden dangers online that pose a great threat to both their kids and the parents themselves. Inside this book you will learn why most kids are at risk to online predators, why parents are at risk to identity theft, the one activity kids do online that is costing parents thousands of dollars in lawsuits, and many more hidden dangers that no one has ever revealed to parents who have kids using the Internet. This book is written with the busy parent in mind that doesn't understand much about the computer except how to turn one on and use the Internet. If you have kids that use the Internet then this book is not an option for you, it is a necessity.
